TECHNICAL PROGRAMME ABSTRACT FAQs

GENERAL FAQ

Q: What is the deadline for abstract submissions?
A: The deadline for abstract submissions is 19 September 2025.

Q: When will I be notified if my abstract is selected?
A: Speakers will be notified of abstract selections by 31 October 2025.

Q: What topics are eligible for abstract submission?
A: Abstracts must correspond to one of the 31 predetermined Congress Forum topics. View <u>Topics</u>

Q: Can I include graphs, figures, tables, or images in my abstract?
A: Abstracts are text only, tables etc. can go in the papers and presentations.

Q. How many co-authors can be listed on my abstract?
A: You can include up to 10 co-authors in your abstract.

Q: What is the difference between Paper and Poster presentations?
A: Abstracts can be submitted for either Paper or Poster presentations. Paper presenters must prepare a full technical paper and present it at the Congress Forum. Poster presentations will be displayed digitally in the Poster Area, and poster presenters will deliver their presentations at the Congress Forum's Poster Session.

Q. How will I know if my abstract has been submitted successfully?
A: You will receive a confirmation email after successfully submitting your abstract.

Q. Does submitting an abstract automatically register me for the 25th WPC Energy Congress?
A: No, submitting an abstract or having it selected does not automatically register you for the Congress. You must register separately using the special speaker registration rate.
